Hi Vivian,

...That's super awesome ! Nice work!

The new 3D images you created are impressive and really nice and so helpful. We were looking for images like this for ages.

I'm thankful you shared those with me. I'd be glad to see the rest of it, but I don't want to be too annoying ☺☺

Your new catalogue is going to look very modern. I can't think of a way to thank you ☺

Best regards,

Yasmine
